Dear Sir:

This is in response to the Final Office Action mailed June 1, 2005 setting a three-month period to respond, and the Advisory Action dated August 31, 2005. The response is being filed within four months of the mailing date of the Final Office Action. A request for a 1-month Extension of Time is included.

Applicant requests a meeting at the USPTO with the Examiner to present commercial samples of, and explain the invention, prior to examination of the RCE. It is hoped that through such an interview, Applicant and Examiner can work to develop acceptable claim language.
